The International Association For Creation Launches The Creation Trail Mobile App Version 2.0

Now get more Creation Facts At Your Fingertips than ever before.

Orlando, Florida (05/29/2017): The International Association For Creation's youth development program, The Creation Trail, has launched the next generation mobile web app that is now accessible from connected mobile devices. The newest version furthers The Creation Trail's mission, "to provide educational opportunities and exciting, interactive programs for youth engagement."

This latest mobile app refresh now enables families to quickly find local creation tours and museums, get creation facts at secular locations, find faith-affirming events nearby, as well as request a professional creation speaker or tour guide directly from their handheld device.

Devices should be pointed to <http://m.creationtrail.org> to access the mobile web app.

You can learn more about The Creation Trail at www.CreationTrail.org.

About The International Association For Creation: The International Association For Creation is the world's leading professional association dedicated to advancing the collaborative efforts of creation science ministries and providing resources in local communities that help Christians grow in their understanding of the Biblical Worldview. Founded in 2012 as a prayer gathering of like-minded Christians, The International Association For Creation has grown to sponsor annual regional, national, and international events, train creation missionaries, help establish new creation tours and museums around the globe, ensure media broadcast rights, develop public outreach programs, advocate in the marketplace, and more. The International Association For Creation is dedicated to equipping it's members to impact hearts and minds with sound doctrine and dependable science. Learn more at www.AssociationForCreation.org.
