**The International Association For Creation Releases First National Ad**

*The world's leading association for the Biblical Worldview releases first national ad spot.*

**Orlando, Florida (02/28/2017):** The International Association For Creation is the world's leading professional association dedicated to advancing the collaborative efforts of creation science ministries and providing resources in local communities that help Christians grow in their understanding of the Biblical Worldview.

The International Association For Creation is blessed to announce the release of our first national ad, to run before the nationwide showing of *Is Genesis History?* on March 2nd and 7th. The Association's new ad spot debuted opening night on February 23rd, 2017 to record breaking attendance, making *Is Genesis History?* a blockbuster at the box office, being the number one movie for Thursday night.

The Association's ad played in over seven hundred movie theaters across the United States of America on the big screen, in front of thousands of viewers. The ad, featuring Eric Hovind of Creation Today, showcased The Creation Network including: Search Creation, Visit Creation, and Creation Events.

The Creation Network is a cooperative effort between various creation ministries to provide a national platform for public awareness and turn-key solutions for ministry development. The International Association For Creation is a founding partner of The Creation Network, alongside Creation Today.

The Creation Network promotes over 120 event sponsors, served 897 creation searches last week, has over 80 creation tours and museums, and has served almost 1,000 creation events around the world.
